

Safety Mat Technical Data Sheet

Product description

- The Mat has anti-slip properties on both sides
- The anti-slip surface is equipped with Aluminium Oxide
- The drainage slots prevent the accumulation of fluids on the mat
- The Mat also comes with a stumbling protection edge

Specifications

Item no:

- SMR1510

Size:

- 91 x 151 cm

Thickness:

- 7 mm

Applications

- On smooth, wet floors or floors smeared with oil and grease
- Production areas
- In front of machines, tables, packaging stations
- Machines, vehicles
- Food processing, prep kitchens
- Internal and external use

Properties

- Exceptional slip-prevention rated to R13 according to ASR A1.5/1,2
- Durable, highly wear and tear resistant
- Easy to clean
- Largely chemical resistant
- Mineral oil resistant
- Forklift traffic resistant
- Usable on nearly all substrates
- Increased ergonomics
- Easy to move around
- Wide temperature range of -40 to +100°C
